Dress Code

In order to maintain a high-quality learning environment for your student, the following dress code has been established. Your signature on the enrollment form indicates that your student has read and will follow this code. This is not an attempt to dictate what is right and wrong for your children to wear. This is simply setting a standard that is deemed appropriate for this class. Students who are in violation of this dress code will not be allowed to attend class. Thank you for your assistance.

General

- All shirts for boys and girls must have sleeves. No spaghetti straps, tank tops, or halter-tops.
- No offensive design or language on t-shirts or other clothing.
- No facial piercing. No eyebrow, nose, lip, tongue, etc. rings will be permitted.
- No "Gothic" style clothing or makeup.
- If a student is asked to remove a hat or cap, they are expected to comply.

Girls

- Shorts, if worn, must be knee length.
- All skirts should be to the knees. Slits may be no more than 2 inches.
- No belly shirts. The midriff should not show when hand is placed on top of head.
- Shirts should be modestly cut (no cleavage) and not tight fitting.

Boys

- No excessively baggy pants
- Undergarments may not be visible when hand is placed on top of head.
- No athletic shorts. Other shorts are okay.

**The purpose of this policy is for your fellow students
to see you first and not parts of your body.
Thank you for assisting in glorifying God in word, deed, and dress,
as well as helping students to come
to learn more about God through science.**

Please initial the following:

- _____ I understand the yearly tuition has been divided into 10 monthly payments (July through April); therefore, the full tuition is due regardless of how many classes are scheduled in a given month. Payments begin in July. If I do not sign up until August, then ½ of the July payment can be paid in September and ½ in October. Payments & lab fees are late if not received by the 10th. The \$10 late fee applies to *each* fee for *each* month. After 30 days, a student may not come to class without full payment.
- _____ I understand this is a full year commitment. I have every intention of having my student complete this class unless unforeseen complications arise such as illness, moving, loss of income, etc. I understand I should contact you immediately if the need arises to drop the class. Should the class be dropped, a penalty of an additional month's tuition is due. The class cannot be dropped after March 1st.
- Participation in this class constitutes my agreement to hold Revelation Science, Karen Garza, and/or any of their affiliates, sponsors, and/or representatives harmless and free of any and all liability for damage, injury, and/or loss of/to property or person. I also agree that I have read and understood all rules and will follow them accordingly. My student(s) will also be held accountable to follow rules that apply to them.

NOTE: All payments are to be mailed.
 I do not want students responsible for delivering the tuition. Parents can hand deliver if desired.

Revelation Science is excited to promote to the home school community what is available and what to expect when participating in a lab. In an effort to do this, photos are the best means to do so. If names are used, only first names will be utilized. Please indicate your consent for Revelation Science to use pictures taken of your student(s) in class. Should you decline, we will only use pictures of work done and for any group settings, your student's face will be blotted out. This does take a great deal of volunteer time and takes away from the effect of the picture, so please consider assisting in getting the word out by giving your consent.
