# TURN IN

## Module 12 Lab 12.2

### Purpose:

To become familiar with classifying insects

### Materials:

- Lab Worksheet
- Specimens pictured in text under Lab 12.2
- Information in text on the characteristics of orders in the Class Insecta

### Procedure:

- Put the proper heading on your worksheet.
- On the Lab Worksheet, fill in the order to which each insect pictured belongs.
- Check your work using the Solutions Manual. Answers are after the solutions for SG 12.
- Check or correct your answers in red. Fill in your grade information at the top left.
- Turn in with check sheet.

### INSECTS:

A. \_\_\_\_\_

B. \_\_\_\_\_

C. \_\_\_\_\_

D. \_\_\_\_\_

E. \_\_\_\_\_
