

Anatomy & Physiology (A&P)

Extra Credit

**Extra Credit item must be turned in when due in order to receive credit.
Make sure to write it in on the Extra Credit section of your Check Sheet.**

Detailed diagrams may be traced.
The idea is for this to be done by hand in some form to reinforce the anatomy being focused on.

Check Bx	Module #	Figure #	Page #	Title of the Item
<input type="checkbox"/>	1	1.3	11	Animal Cell
<input type="checkbox"/>	3	3.6	75	Skeleton
<input type="checkbox"/>	4	N/A	121	Study Guide
<input type="checkbox"/>	6	6.3	159	Skeletal Muscles
<input type="checkbox"/>	8	8.3	224	Superior and Lateral Views of the Cerebrum
<input type="checkbox"/>	8	8.4	225	Functional Areas of the Cerebrum
<input type="checkbox"/>	10	OYO 10.3	301	Answer in chart form - Endocrine Glands and Hormones
<input type="checkbox"/>	11	11.10	339	External Heart Anatomy
<input type="checkbox"/>	11	11.11	340	Internal Heart Anatomy
<input type="checkbox"/>	11	11.14	348	Some of the Major Arteries and Veins
<input type="checkbox"/>	14	14.9	444	Aerobic Respiration
<input type="checkbox"/>	16	16.3	489	Meiosis I and II
<input type="checkbox"/>	16	N/A	511	Study Guide
