## Chemistry Lab Notebook Fall or Spring Semester

All work is filed in every section with the most recent on top, except Micro-Chem.

Handouts may be filed in sections where they can be best used or referred to, such as *Rules to Remember* being under Rules tab.

Each of the following are the required titles for your tabbed section dividers. Each counts as 4.7 points.

1. Syllabus \_\_\_\_\_

This section is for your year calendar. The current school work sheet can also be here, but nothing else.

2. Reference Cards \_\_\_\_\_

Cards need to be displayed in photo pages with most current on top. Remember to properly label.

3. OYOs \_\_\_\_\_

Must be CHECKED and corrected in red.

4. Vocabulary (*Numbered*) \_\_\_\_\_

Vocabulary word lists for each module should be followed by student's vocabulary work.

5. Rules (*Numbered*) \_\_\_\_\_

6. Pre-Lab / Lab – Table of Contents: Yes \_\_\_\_\_ No \_\_\_\_\_

The book's Table of Contents can be used to set this up for this section. Include lab number and title. (ie. Lab 1.1: Air has Mass)

7. Micro-Chem Lab Manual \_\_\_\_\_

The manual's cover page is followed by the next lab to be done. As labs are completed, they are filed in the back of the section.

8. Review Questions \_\_\_\_\_

Must be graded and corrected in red.

9. Practice Problems \_\_\_\_\_

Must be graded and corrected in red.

10. Quizzes \_\_\_\_\_

11. Tests \_\_\_\_\_

Must be graded and corrected in red.

12. Handouts \_\_\_\_\_

Should include handouts emailed. Handouts may be in other sections appropriate for what they are about.

13. Class Notes \_\_\_\_\_

Blank paper should be in this section.

14. School Work \_\_\_\_\_

If school work sheets are kept, then file them here.
